Trame lignee declinate su cinque colori e svariati formati prendono forma in questa serie, ispirata alle foreste nordiche mitiche e fatate in balia del vento del Nord, creando ambienti di grande fascino. La proposta "Outdoor" inoltre, offre continuità alle pavimentazioni interne proiettandole spontaneamente all'esterno con la massima garanzia di resistenza e durabilità.

Wooden textures available in five colours and various formats come alive in this series inspired by the legendary and magical Nordic forests exposed to the northern wind, creating extremely charming spaces. The "Outdoor" variation also offers the possibility of a seamless continuity with indoor flooring, spontaneously projecting it outside with the maximum guarantee of resistance and durability.

Trames de bois déclinées en cinq couleurs et divers formats Prennent forme dans cette série, inspirée des forêts nordiques mythiques et magiquessoumises au vent du Nord, créant des atmosphères de grand charme. La proposition "Outdoor", offre en outre une continuité aux sols intérieurs en les projetant spontanément à l'extérieur avec la garantie maximale de résistance et de durabilité.

Holztexturen in fünf Farben und verschiedenen Größen verleihen dieser Serie Gestalt, inspiriert sind sie durch die mythischen und geheimnisvollen nordischen Wälder, die dem Nordwind ausgesetzt sind, wodurch Räume von großem Charme entstehen. Das „Outdoor“-Angebot sorgt für Kontinuität mit dem Bodenbelag im Innenbereich, indem er spontan nach außen projiziert wird, mit der maximalen Garantie für Festigkeit und Haltbarkeit.
